New Method Of Addressing Mail Gains Wide Favor

Daly City's District Postal Number Is "25"

Postmaster William H. McCarthy, today, announced that the new method of addressing mail through the addition of a district postal number is rapidly being placed in operation in San Francisco, as well as in 177 other large cities throughout the United States. Reports from many cities indicate that the new system has been received enthusiastically by the press, business concerns and the public. Daly City is blanketed into the San Francisco area and is therefore affected by this new plan.

The new system was put into effect upon instructions from Postmaster General Frank C. Walker with the purpose of speeding up mail delivery through simplifying the method of distribution. Within a few days after its initiation, nearly all the postmasters in the large cities affected had assigned district postal numbers to their branch offices. Millions of residents and business houses were advised of the number to be added to their addresses and already a considerable volume of mail is carrying the district postal numbers. It is expected that by now, practically all whose addresses are affected have been notified of their postal district number.

About two weeks ago, letter carriers in San Francisco and Daly City placed in every letter-box and delivered to every office, apartment house and hotel in this area, a notice giving patrons their postal district number, and requesting that they show the number of their postal district following the name of the city. Postmaster McCarthy reports that the response from the public has been encouraging and advises that each day he finds more and more mail, handled in the San Francisco Post Office which carries the postal district number of the addressee.

The Post Office department did not ask for deferment of its em-

WOLF HOUNDS

Russian Wolf hounds kept under conditions in violation of City Ordinance No. 208 resulted in the arrest of Harry and Victoria Butterworth, 243 Los Olivos avenue, Monday, June 7. They were brought to police headquarters by Chief James G. Reardon and Sergeant Ricco Benedetti on a warrant issued by Judge William J. Sweeney. There they were charged with the violation of the ordinance and released on $10 bail.

They were to appear at court, tomorrow, June 11, 2 p. m., to answer the charges.

"All's Well That Ends Well"--Huh?

"All's well that ends well" was the case in two happenings brought to the attention of Daly City police, recently.

John Vaughn, 6275 Mission street, reported to officers that while he watched the Sunday ball game at Marchbank park someone had stolen his bike, a Cadillac number, cream color with red tipped fenders and red rims. Later in the evening, another lad, Donald Cunningham, 62 Theta avenue, reported that the bike had been left in front of his home. The police returned the bike to its owner.

On Wednesday, June 2, 3-year-old James Hardy, wandered away from his home, 700 Niantic avenue. He was reported as lost by Spring Valley market, which turned the child over to officers. Taken to the police department the youngster could not pronounce his name plainly enough for the police to know who he was. Just as tears were imminent, the parents of the lad came into the office to report their son missing and were able to take him home at once without further worry.

Packers Drop To Second Place

Daly City's Farralone Packers dropped to second place in the standings of the Peninsula Summer Baseball league, Sunday, as they lost a close 5-3 game to the Moffat Mantecas at Marchbank park. Pera and Fenech made up the local battery, while Meagher was the visiting pitcher.

In other league games, Belmont defeated the Simons company team, 7 to 5, while Burlingame lost at San Mateo, 6 to 12. In the morning game at the local diamond, the Farralone Packer Juniors won over Ross Valley, 7 to 4.

Next Sunday the Packers are scheduled to meet the Simons squad, at 2:30 p. m., in Daly City, and the Juniors go up against the Alvin Joseph Motors at 11 a. m.

FALSE ALARM

A false alarm and a grass fire were the total of incidents which called out the Daly City Fire department during the past week.

Company No. 1 extinguished a grass fire, Saturday, June 5, on Hillside boulevard, near the Smith Lumber yard. The alarm was turned in at 1:34 p. m.

A youngster, apparently not cognizant of the hardships imposed on the volunteer fire force in such cases, turned in a false alarm from the box at Crocker avenue and Winchester street, Sunday morning, June 6. Companies No. 1 and No. 4 responded.

Student Speakers To Discuss "Living In A World At War"

Approximately Ninety Get Diplomas, June 16

"Living In A World At War" will be the general theme of commencement exercises to be held at Jefferson Union high school, Wednesday evening, June 16, when approximately ninety capped and gowned seniors will receive diplomas.

The program may be attended by invitation only and will start promptly at 8 p. m. in the auditorium. The graduates will be seated on the stage as the exercises open, the boys in black robes, the girls in white.

Student speakers will include Walter Cavagnaro, president of the senior class; Ralph Capps, president of the student body; John Mosman, high in scholarship for boys; Louise Baciocco, scholastic leader among the girls, and her runner-up, Gwendolyn Stegeman. Cavagnaro will give the address of welcome and Capps, the farewell. Miss Baciocco will discuss, "Music In A World At War;" Miss Stegeman, "Books In A World At War," and Mosman, "Science In A World At War." Preparation of the talks has been directed by drama instructor, Roy J. Gale. Senior class advisor is Mrs. Marjorie Reandeau.

Principal James Ferguson will lead the salute to the flag. Music selections to be presented on the occasion by the chorus will include "As Torrents In Summer," Elgar; "This Is My Country;" and "God Bless America," the latter to be sung by the seniors and audience as well as the chorus. The high school orchestra will play the "Coronation March," by Meyerbeer, for the recessional.

The invocation is to be given by Father Adrian McKenna, Our Lady of Perpetual Help church, while Reverend William P. Miles, Grace Presbyterian church, has been invited to say the benediction.

Send Daly City Record Certificate

The Daly City Record, yesterday, received a certificate from the Twelfth District War Finance committee in recognition for its service in the Second War Loan drive.

The accompanying letter stated: "The Second War Loan drive of April, 1943, is concluded and the facts and figures compiled. Again, I wish to offer my sincere and personal thanks for the outstanding work accomplished by all who assisted in the drive. We made real progress and the figures speak for themselves."

The communication was signed by the chairman of the drive.

The inscription on the certificate described The Record as "a volunteer member of the War Finance committee organization who answered a call to service in a time of national crisis and without regard to self or personal convenience, devoted its time and effort to help assure the success of the Second War Loan Drive."

Armed Forces Ask For 88 During June

The Armed Forces have given Daly City Draft Board No. 103 a June call for 88 men, Mrs. Isabelle Flynn, clerk, announced today. They will report for physical exams and induction, Friday, June 18.

Mrs. Flynn said that the new quota of men will be given longer induction furloughs than have heretofore been the case. They will have 14 days instead of 7. After July 1, inductees will get a 21 day induction furlough, the War department has announced.

Water Reduction Deadline Is July 1

Application for special water rates forms have been distributed to all Daly City consumers in line with the city council's program of encouraging the growing of Victory Gardens here to help meet possible food shortages. In order to receive the special rate, the consumer must make application by July 1, 1943.

The circular which contained full details of the special program said, "If you are planning or have planted a Victory Garden and wish to obtain the benefit of this special rate, when your garden is actually planted but not until then, fill out the accompanying application form and mail or deliver it to the office of the water department, city hall, 75 Wellington avenue."

The special credit for patriotic Victory gardeners was made possible when the city council adopted Resolution No. 832.

The reduction will not apply on minimum rate, the water department pointed out, and all applications for this special rate must be made on the printed form provided by the department.

Consider Afternoon Hours For New Club

Attendance at the new Daly City Servicemen's club, 6201 Mission street, has been averaging 35 or more men each evening, according to Mrs. Ann Eason, Mrs. Maisie Boyle, and Mrs. Margaret Steele, who head the committee in charge. They announce that they are making arrangements to provide afternoon hours for "the boys," as well. At present, the club is open from 7 p. m. to 12:30 a. m. each evening.

This week's hostesses are El Carmelo Parlor No. 181, N. D. G. W.

Last week, Old Glory Post and Auxiliary No. 2044, V. F. W., handled the center. They topped off a highly successful week with a dance, Saturday night, for the servicemen. It is planned to have some special social event once a week at the club. Each evening coffee and cake or sandwiches are served.

The ladies in charge of the center thanked the organizations and individuals who have cooperated so splendidly in getting the club open and into operation.

This week beginning, June 13, will see the Women's Civic club in charge.

Added to the list of donors, who helped with the furnishing and maintenance of the club, the majority of which were published in last week's Record, are Goodness! Laura Lee Candies, San Francisco Glass company, Royal Neighbors Sewing club, Daly City-Colma Lions club, El Carmelo Parlor No. 256, N. S. G. W., Mrs. J. Coleman, Mrs. M. Garselle, Mrs. L. Quintara, Mrs. A. Hilton, Mrs. R. Grenier, Mrs. J. Quessy, Mrs. M. Zipser, and Mrs. Brown.

Murder Is Hilarious In Daly City Film

Something new in laughter is assured Daly City theatre audiences when Columbia's merry, mirth-filled murder mystery, "A Night to Remember," opens tonight. Loretta Young and Brian Aherne are co-starred in the gay new comedy which recounts their giddy goings-on in Greenwich Village where, between kisses, they hunt killers!

Loretta and Aherne are seen in "A Night to Remember," as a young married couple who move to a basement apartment on the appropriately-named Gay street, in Greenwich Village, that world-famous haunt of delightful people. As Jeff and Nancy Troy, seeking "atmosphere" for Jeff's latest novel, the co-stars find it—in their new home, a basement apartment which once was a speakeasy; and in their own backyard, which one morning harbors a corpse!

The neighbors provide their share of the excitement, as do the police who want to know "Who drowned a man in Nancy's bathtub?" Jeff, under suspicion himself, provides a question of his own: "Who killed who with a horseshoe — for good luck?" And Nancy, no slouch at parlor quiz games, wants to know the answer to her own little problem: "What kind of clue was Jeff hunting in another girl's arms?"

The questions — and the answers — are said by Hollywood to provide a motion picture which is both startling and gay, an adventure worth sharing and worth enjoying. The co-stars prove ideal foils for each other's antic and romantic activities and wise-cracks.

Heading the important featured cast are Jeff Donnell and William Wright, as neighbors and friends of the Troys; Sidney Toler, as the detective on the case, and Gale Sondergaard, who figures prominently as a suspect.

J. Gale.

OPA Warns Retail Stores About Sugar

Retailers are advised by the Office of Price Administration not to accept sugar stamps 15 or 16 for canning sugar from persons who already have obtained their full allotment of 25 pounds for home canning by applying to local War Price and Rationing boards.

Retailers will be able to check since the amount of sugar granted each person by the local War Price and Rationing board is recorded on the front cover of War Ration Book One.

The OPA pointed out that in areas where an early fruit crop made it necessary to provide canning sugar before stamps 15 and 16 became valid, some families already have applied for and received their full allotment of 25 pounds. The top limit of sugar for anyone canning for home use is 25 pounds per person including the 5 pounds which may be used for making jellies and preserves.

At the present time the procedure for obtaining sugar for home canning is simply to present stamps 15 and 16, good for 5 pounds each, to the retailer. In exceptional cases where sugar in addition to this 10 pounds is required, applications can be made to local boards after stamps 15 and 16 have been used.

Woodrow Unit Plans Party For Graduates

Final plans for the graduation party to be held next week were made at the board meeting of Woodrow Wilson P. T. A., Tuesday, June 8. The session was held at the home of Mrs. Elsie Hesslein, president, 403 Woodrow street. A dessert luncheon was served.

The Tuesday, June 15, regular meeting will close the unit's program until September. All members were urged to attend the final meeting of the term.

He is survived by three children, Charles and Nello Giannini, and Mrs. Bassi.

This Month's STAR RECIPE

By BETTY BARCLAY

My star recipe for this month is a pudding recipe — one that may be made even by the cook whose ration coupons are practically all used. And this pudding made almost entirely from unrationed foods will please both the adults and the children. It is economical; it is healthful and it is easy to prepare. That brings it pretty close to one hundred per cent perfect.

Cereal Pudding

3 tablespoons flour
⅛ teaspoon salt
2 cups milk
¼ cup honey
2 eggs, beaten until thick fluffy
1 tablespoon butter
1 teaspoon vanilla
½ cup Grape-Nuts

Combine flour and salt in top of double boiler; add milk gradually, stirring until smooth. Add honey and blend. Cook and stir over boiling water 8 minutes. Pour small amount of mixture over eggs, stirring vigorously; return to double boiler and cook 2 minutes longer. Remove from fire; add butter and vanilla. Cool. Add cereal. Chill. Serves 6 to 8.

The Army's Behind— At Least For Moment

The keglers of Conci's Shell Service aren't willing to let the U. S. Army be "tops," at least when it comes to bowling. In a hotly-contested series being played between Conci's and the officers from Fort Daly City, the civilians have won two games in the series, to the army's one. Of course, as R. L. Crane jr. warily pointed out in an interview this week, the series is by no means ended. On Friday night, June 18, the two teams meet again.

On Conci's Shell Service team are Pete Conci, Orville Tallmadge, Nelson Borges, Steve Navarro, and Crane. The Army team includes Lieutenants Atkinson, Clements, Young, Cramer, and Jackson, with Sergeant Westlund doing substitute duty.

Band Members Hear Sergeant H. Wendell

Honored guest at the Daly City Band rehearsal, Tuesday night, June 1, was **Sergeant Harry Wendell,** home on a short furlough from the South Pacific where he has been seeing service with the U. S. Marines. He gave the boys quite a pep talk, according to Bandmaster George Brenner. Wendell, who had been a member of the band for a number of years prior to the outbreak of the war, lives at 56 Vendome street.

Brenner announces that the band, which had been seriously depleted by the call to arms of the nation, now has 35 pieces and much progress is being made.

The new technical officer will shortly be assigned to a tactical unit where he will be in charge of a crew of enlisted men who have been thoroughly trained as specialists.

Iversen's home address is 163 Los Olivos avenue. He attended schools in San Luis Obispo and San Francisco. He also went to Heald's business college. YOUTH—AND THE FUTURE

Never in history has there been a soft, safe and comfortable world for young men and women, leaving school days behind, to graduate into. There is no reason to think the future will bring any such world. And there is no honest reason to desire it, for softness begets softness, just as strong opposition breeds strong character.

The older brothers of this year's graduates emerged from school into a world of depression; today they are working and fighting heroically for Uncle Sam, calling on all the reserves of toughness and resourcefullness acquired in those bitter years. Their fathers and mothers weathered an earlier war, faced an equally chaotic world and did the best they could with it.

Current graduates must help to meet the challenge of a world to rebuild, a peace to be maintained. As history goes, it is not a new challenge—except to the generation which must meet it.

With the ink yet wet on their diplomas, this year's graduates will find no dearth of employment. Those who do not go into the service of their country will find unquestionable opportunity to try out their own wings in jobs of their own choosing. In the opinion of foremost industrialists they need not be concerned even at war's end that they will be "unwanted" economically as in the depression years. "There is demand enough in sight," declared shipbuilder Henry J. Kaiser to Washington State college students, "to keep every productive force in America working to capacity for 25 years! And it took a war to teach us our own tremendous production ability."

No, the world that lies ahead for the young men and women now leaving school will not be a soft and easy one. But it will be live, energetic and challenging. It will demand leaders and it will demand men and women trained to think, to study, to plan, to execute, to work with their hands. It will pay premiums for work well done. And it will offer rewards still for truth, for justice and for tolerance, as in years past and those to come.

New Method Of Addressing Mail Gains Wide Favor

Daly City's District Postal Number Is "25"

(Continued from Page 1)

ployees on account of the war, and consequently, many thousands of experienced distributors throughout the country are now in the armed forces, approximately 600 of whom were from the San Francisco Post Office. These men have been replaced by inexperienced personnel and the new system of assigning postal district numbers to addresses will greatly simplify distribution by the untrained clerks, and expedite handling and delivery of mail by as much as 12 hours in some cases.

Postmaster McCarthy further announced that the prompt cooperation given by business firms and organizations has been gratifying and urged concerns with mailing lists, which have not already done so, to contact the San Francisco Post Office to have district postal numbers added to San Francisco addresses free of charge.

For further information, post office patrons may phone MArket 2500, consult their letter carrier, or inquire at their nearest post office station, which in this community is the Daly City branch post office, located at 6251 Mission street.

Daly City and Colma residents were again reminded that their postal district number is **25.**

Urge Wardens To Attend Meeting

Chief Air Raid Warden Harry Melicker makes an urgent appeal for all senior wardens to be present at the meeting, tomorrow night, June 11, at the city hall, 75 Wellington avenue. They are requested to bring complete lists of those wardens in their sectors who have not completed their basic and first aid training. It is planned to start new classes at once so that the entire warden personnel may be thoroughly trained.

Both senior day and night wardens are asked to be present, Melicker said.

"This matter is of great importance to the adequate protection of our community," Melicker said, "And I sincerely ask the cooperation of the entire air raid warden setup."

Guess What! It's Time To Pay That Tax Bill

Daly City recipients of income tax bills (and who wasn't this year?) were preparing, this week, to pay up before the June 15 deadline, if they were in the large category of taxpayers paying on the installment plan.

The second quarterly installment on 1942 incomes must be paid by June 15 regardless of the compromise pay-as-you-go tax bill recently passed by Congress.

"A quarterly installment," stated Collector of Internal Revenue Harold A. Berliner, "means one-fourth of the tax liability as shown on the income tax return filed on or before, March 15, 1943."

Lions To Elect Officers, June 16

Members of the Daly City-Colma Lions club will elect officers for the new term at their luncheon meeting, Wednesday, June 16, which begins at 12:10 p. m.

Arrangements are being made to hold one of the Lions club's famous Ladies Nights, Saturday evening, June 26, at Estrada's Spanish kitchen.

Word has been received here that the International Association of Lions clubs has issued an official card for members in service to Dr. Emery W. Olsen, club member and local dentist, now in the armed forces. Olsen's name is officially recorded on the Military and Naval Service roll of Lions International. His membership will be automatically retained for "the duration."

FOOD NEWS SUMMARY FROM THE OPA OFFICES

Canned Milk Joins "Red Stamp" List

The Office of Price Administration has added evaporated and condensed milk to the list of rationed foods.

This order, issued at the request of the War Food Administrator, and effective at 12:01 a. m., Wednesday, June 2, adds canned milk to the meats and fats rationing program. The ration value is set at 1 point per pound.

Consumers are to use their red stamps in War Ration Book Two for buying canned milk. Since rationing is intended to reduce all non-essential consumption of canned milk in order to conserve limited supplies for infant feeding and for those who require it in special diets, as well as for persons unable to obtain adequate supplies of fresh milk, no additional points will be made available to consumers for canned milk purchases.

The trade is handling canned milk as part of the meats and fats rationing program.

Heavy demand for manufactured dairy products to meet military requirements, said OPA, has created shortages in milk supplies for civilian use. Most important among civilian needs for evaporated milk that must be met out of limited available supplies is the requirement for infant formulas—usually at the rate of one 14 1-2 ounce can per day.

At a ration point value of 1 point per pound, infant formulas will require the surrender of about 7 points per week for milk—these points to be provided out of the current ration of 16 points per week allowed for the total protein and fat requirement of ordinary diets.

It is also estimated that from 3 to 4 points per week will provide the amount of canned milk required by adults, although it is urged that only persons unable to obtain fresh milk spend their points for the limited canned milk supplies.

Persons whose doctors certify that they require extra amounts of canned milk because of illness may apply to their local ration boards for supplemental rations, as already provided for in ration order 16 (meats and fats). Similarly, hospitals may apply for extra point allotments for patients whose diets require additional amounts of evaporated or condensed milk.

Preferred Cuts Of Beef Take Raise

Effective Sunday the preferred cuts of beef—such as steaks and roasts—began to cost the housewife substantially more red stamps, although fewer points are required for numerous items of lamb, veal and variety meats, the Office of Price Administration stated, in making public the third official table of consumer point values for meat, fats, fish and cheese.

The increases in the point values for beef, ranging from 1 to 3 points per pound, reflect continued large consumer demand for these items in the face of lower production.

Consumers who purchase more of the lamb, pork, and veal, and variety meats, some of which have been reduced in point value, will be able to maintain their weekly meat consumption at present levels. However, those who continue to use most of their red stamps for beef will find that they are eating less meat, it was said.

The point values contained in the new table are effective from June 6 through July 3 and, barring unforseen emergencies, no additional changes will be made during this period.

In the canned fish category four types are dropped from the table. Point values, except for oysters, are raised 1 point per pound for fish products remaining under rationing.

Pork is now coming to market in relatively greater quantities than beef. As a result, most pork cuts remain unchanged in point value, and will represent better point buys for some weeks to come.

AIR CORPS AWARD

Word has been received that Sergeant **Lisle M. Wightman,** Daly City, last week received an Army Air Corps award for his part in the North African campaign. The announcement was made by the War department.

GOES TO NEW YORK

Leon Fletcher, son of Mr. and Mrs. R. E. Fletcher, 6073 Mission street, left this week for New York City to continue his studies under the government at Columbia university. While attending San Jose State college, Fletcher volunteered for the Navy and was put under the naval training program. This will be a continuation of his preparation for service with the armed forces. In Daly City, Fletcher attended General Pershing and Jefferson Union high schools. He also went to San Mateo jaysee.

Announce Summer Recreation Plans For Community

Gymnasium And Pool Activities Sponsored

(Continued from Page 1)

m. Special women's classes are from 9:30 to 10:30 a. m., to enable mothers to take their children for lessons and remain for the swimming instruction.

Registration for classes during the campaign may be made at the Jefferson Union high school swimming pool office on Saturday afternoon from 2 to 5 p. m., or on any week day from 7 to 9:30 p. m. Enrollment for these lessons is limited, and information concerning them may be had by phoning RAndolph 9898.

Principal James Ferguson of the high school has made it a personal hobby to aid every boy and girl in the district in learning to swim, and believes it doubly important in these times. With boys and girls in the branches of the armed forces traveling all over the world, he believes many lives will be saved through a knowledge of swimming. That is the reason he and his staff have taken the lead in establishing these classes.

Mrs. Lillian Clayton, Miss Claire Nace and Miss Ella Redkey will be in charge of the summer recreation program.

Reverend Lewis Leaves Daly City

Reverend N. M. Lewis, for six years pastor at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, will preach his farewell sermon to the local congregation, Sunday, June 13.

"We have enjoyed our stay in Daly City and our work with the congregation as well as townspeople here," Lewis said. His next field will be at Madera, California. Mrs. Lewis, who has been active in Sunday school and church work at Grace Nazarene, will be missed by many friends and associates.

Reverend Lewis announces that his successor will be Reverend D. C. McKisson from Taft, California.

Sunday's farewell service will conclude an active career at the local church for Reverend Lewis, under whose direction the congregation and activity program have both been expanded.

The Lewis family made their home at 33 San Pedro avenue.

MILO'S MARKET DE LUXE

6315 MISSION ST.

FEATURED MEATS ARE CHOICE MEATS AT MILO'S

At Milo's you'll find we feature the better grades of meat—that's been our long-time policy. It's not accidental that Daly City housewives have come to depend on us for choice cuts of fine quality meats.

And our large volume permits us to have a full selection of the various cuts and kinds for your approval. For instance, even under present difficult market conditions, we are able to furnish our customers with an adequate supply of good beef.

Whatever your meat problems, bring them to Milo's — we are prepared and anxious to help solve them. Whether it's some kind of fresh meat, or flavorful cured ham or bacon, you'll find you

SAVE AT MILO'S

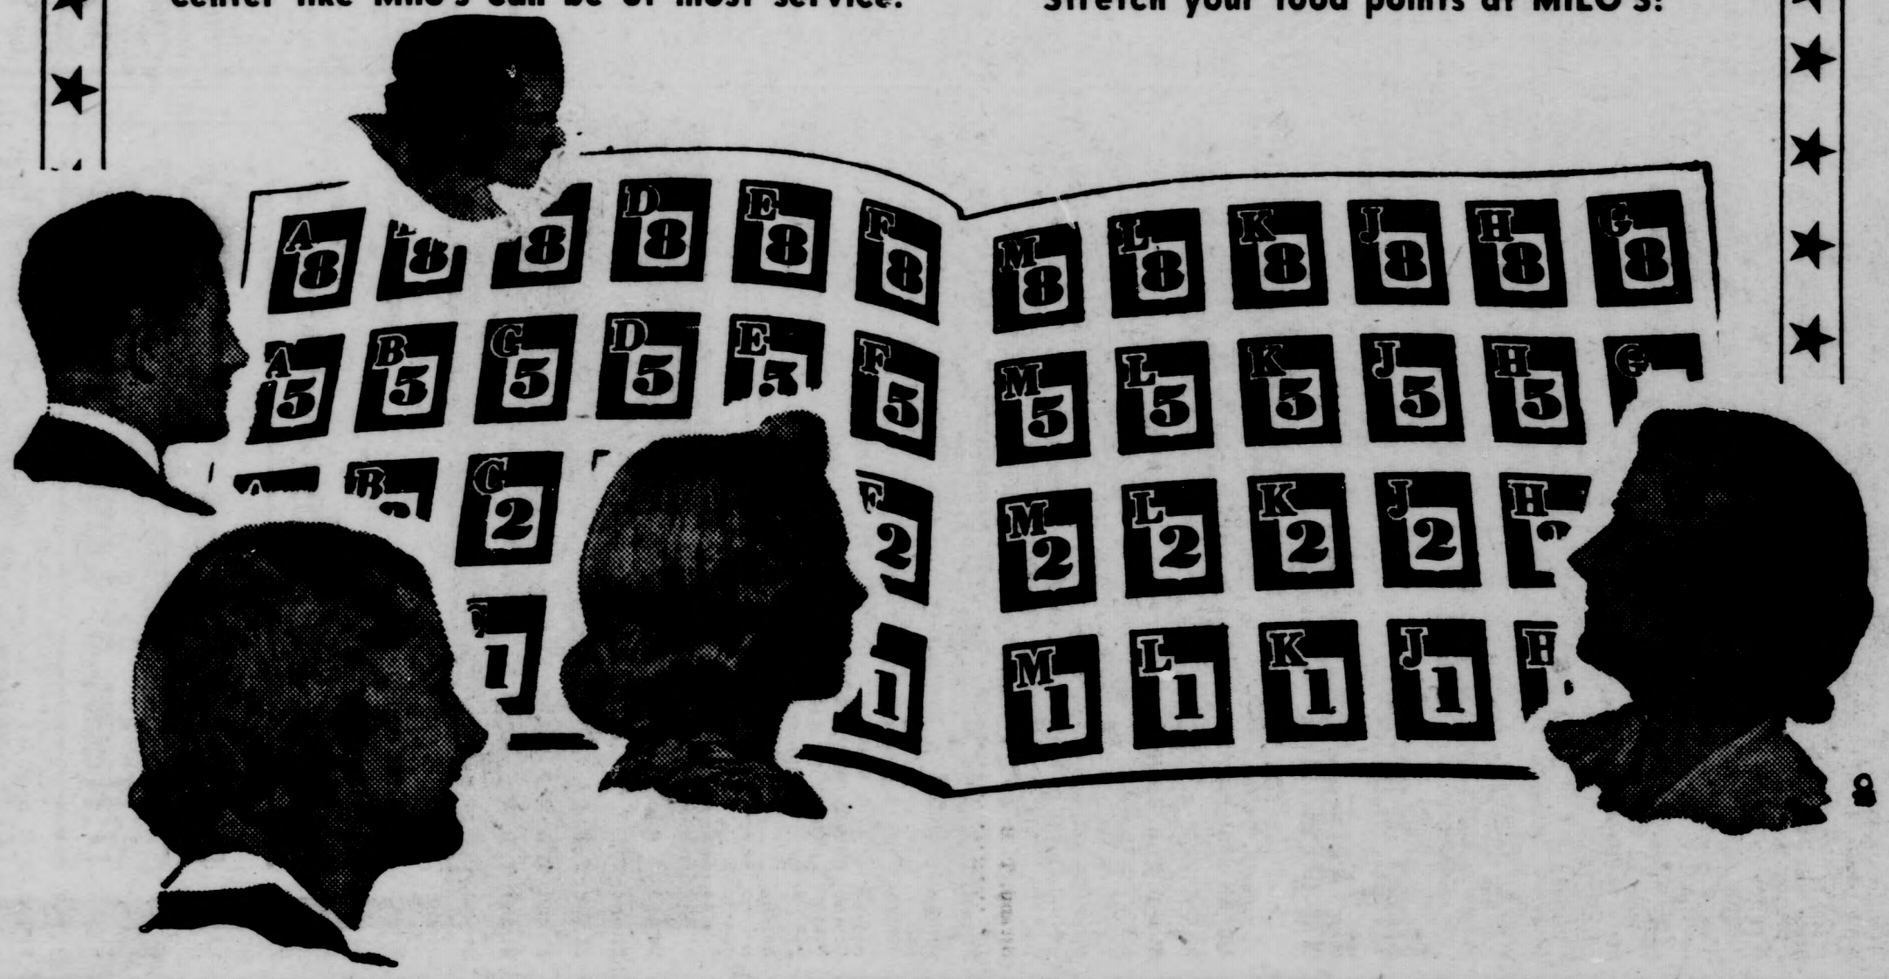
THAT'S ALL THE POINTS YOU GET!

No matter what your financial status, rich or poor, you cannot buy more rationed foods than your equal share. Your allotment is no more than your neighbor's, whether he is a banker or a laborer.

So you must spend points wisely—plan your purchases to provide well balanced meals throughout the rationing period. That's where a really BIG food shopping center like Milo's can be of most service. Let us advise how to best care for your family's needs.

Our food shops are all combined in one big, modern center, saving time and extra steps. All departments are here — quality groceries, select poultry and fresh fish, seasonal fresh vegetables and fruits, and a really big selection of kinds and cuts of fresh and cured meats.

Stretch your food points at MILO'S!



FARM - FRESH FRUITS AND VEGETABLES

Give your family the finest natural foods in their most healthful form—crisp, nutritious vegetables and energy-packed fruits, fresh from the growers' markets.

With the produce season at its height, your selection of these foods is almost unlimited. Practically every type of vegetable and fruit is now featured in our big market.

Save your ration points by purchasing these foods fresh — and conserve processed goods for the use of our armed forces all over the world.

HOUSEWIVES—vary your menus and stretch meat allowances by serving our select POULTRY and FRESH FISH often. Your family (and your budget) will appreciate the change in fare.

Stretching Your Meat By Simple Addition

By BETTY BARCLAY

Don't worry about those little red coupons. Stretch your meat into delicious, main-course dishes by combining it with other healthful foods that are not rationed. Here are some swell suggestions right off our sizzling war-time griddle:

Kidney Stew with Cereal Dumplings

1 pound beef, veal, lamb, or pork kidneys
2 tablespoons butter or other fat
4 tablespoons flour
2 cups water
½ cup minced onions
1 teaspoon salt
Dash of pepper
¼ teaspoon Worcestershire sauce
1 recipe Cereal Dumplings

Wash kidneys thoroughly. Split in halves lengthwise and remove fat and tubes. Soak in cold salted water ½ to 2 hours; rinse, drain, and dry thoroughly. If kidneys are old or large, cover with cold water, bring slowly to a boil, and drain. Cut kidneys in ¼-inch slices.

Saute kidney slices in fat 3 minutes. Add flour and cook 3 minutes longer, stirring constantly. Add water, onions, and seasonings and bring to simmering point. Add Cereal Dumplings. Cover and simmer 15 minutes. Serve immediately. Serves 5 to 6.

Cereal Dumplings

⅓ cup milk
1 tablespoon shortening
½ teaspoon salt
Dash of pepper
1 egg, well beaten
2½ cups 40% Bran Flakes, finely crushed
1 tablespoon minced onion

Scald milk and add shortening. Remove from fire. Add salt, pepper, and egg, mixing well. Add bran flakes and onion, and mix thoroughly. Shape into 1-inch balls. Drop dumplings into simmering meat stew, cover, and simmer 15 minutes. Makes 15 dumplings.

Baked Heart

½ beef heart (about 2 pounds)
2 tablespoons butter or other fat
1 cup sliced onions
½ cup finely cut celery
1 cup Grape-Nuts
½ teaspoon salt
⅛ teaspoon pepper
2 whole cloves
Few drops Tabasco sauce

Wash heart thoroughly. Remove veins and arteries. Cut in about 6 pieces. Simmer in salted water 1 to 1½ hours, or until tender. Drain and measure 1½ cups stock. Remove fat from heart and cut heart in ¼-inch slices.

Melt butter in skillet; add onions and celery and saute until tender. Add ¾ cup Grape-Nuts. Combine with heart, stock, and seasonings. Turn into baking dish and sprinkle with remaining cereal. (If desired, garnish with thin onion rings which have been brushed with melted butter and paprika. Brush rings again during baking.) Bake in moderate oven (350° F.) 40 minutes. Serves 4 to 6.

Tamale Pie

½ cup diced onion
1 tablespoon butter or bacon fat
1½ teaspoons chili powder
½ teaspoon salt
¾ cup milk
½ cup Grape-Nuts Wheat-Meal
½ cup chopped cooked chicken, ham, or veal
½ cup drained kernel corn
½ cup chili sauce

Saute onion in fat about 5 minutes, or until tender but not browned. Add chili powder, salt, and milk. Bring to a boil, add Wheat-Meal gradually, and cook 3 minutes, stirring constantly. Add meat, corn, and chili sauce; mix well. Turn into greased 9 x 4 x 2-inch baking dish. Brush top with melted fat. Bake in moderate oven (375° F.) 25 minutes. If necessary, place under broiler to brown. Cut into squares. Serves 3 to 4.

Post Toasties Meat Loaf

2 cups corn flakes
¾ cup milk
1 egg, unbeaten
1 cup ground cooked veal
1 cup ground cooked pork (fat removed)
1 teaspoon salt
1 tablespoon minced onion
½ teaspoon sage
¾ cup diced celery
1 tablespoon chopped parsley
¼ teaspoon pepper
2 tablespoons ketchup

Crush cereal slightly; add milk and egg. Add remaining ingredients in order given; mix well. Pack into greased 8 x 4 x 3-inch loaf pan. Bake in moderate oven (375° F.) 1 hour. Makes 12 slices.

Tin Collection Hits All-Time High

Collection of tin in the War Salvage drive in Daly City hit an all-time high during the month of May, according to R. L. Crane jr., local salvage chairman. He announced that 15,780 pounds of tin were sent to the Metal and Thermit plant in South San Francisco from Daly City.

Pupils of the elementary schools act as collection agents and all householders are urged to cooperate in the drive. Crane reported that some local people still do not seem to grasp the fact that improperly prepared tins are of no value in the drive and, in fact, act as a "bottle-neck" in the program.

To make tin cans of value in the salvage drive they must be washed, have labels removed, end cut and turned in, and be flattened.
